TECHNICAL SKILLS

- Programming Languages**
C, Java, Python PHP, JavaScript
- Frame works**
React JS, SpringBoot, Laravel
- Database Technologies**
MySQL, MongoDB
- Cloud Technologies**
Azure
- Version Control Technologies**
Git - Github

NON - TECHNICAL SKILLS

- Leadership
- Team Work
- Communication

LANGUAGES

- Sinhala First
- English

CERTIFICATIONS

- Postman API Fundamentals
Student Expert Certificate
2024

REFERENCE

A.W.A.T Dilhan, B.Sc (Hons) in
Computer Science, M.Sc in CS (Colombo)
Lecturer (Probationary),
Department of Information &
Communication Technology,
Faculty of Technology,
University of Ruhuna.

PROFILE

I am an undergraduate at the University of Ruhuna, specializing in the Information and Communication Technology Honours Degree. I am passionate about technology, problem-solving, and continuous learning. My interests include research, innovation, and exploring new opportunities in the ICT field

PROJECTS

Sathmaga Attendance Management System

Feb 2025 - Present

- Developing a Web Application for attendance management system for Sathmaga Educational Institute using Express.js , React.js, Node.js and MongoDB.

Tools Management System

Jan 2024 - May 2024

- Implemented a Web Application for tools management system, focusing on tool allocation using Spring Boot, React.js and MySQL.

School Management System

July 2024 - Nov 2024

- Developed a School Management System using React.js, Laravel, and MySQL, focusing on core database functionalities. Implemented indexes, stored procedures, functions, and triggers to enhance performance and ensure data integrity across student and subject management modules.

Inventory Management System

Jan 2023 - May 2023

- Developed an Inventory Management System using Java, JavaFX, and MySQL to manage product stock, categories, and transactions efficiently. Focused on building a user-friendly interface and ensured reliable data handling through structured database design

RESEARCH

2024 - Present

- AI powered automated generation of database modeling diagrams from scenarios

EDUCATION

University of Ruhuna

2021 - Present

- Bachelor of Information and Communication Technology Honours
- GPA : 3.24

R/Eheliyagoda Central College , Eheliyagoda

2017 - 2019

- G.C.E Advanced Level
